

# The Growth Blueprint™

## 1. Website Foundation

☐

Create a fast, mobile-friendly website that builds trust, ranks well, and drives action.

## 2. Search Visibility

☐

Get found where your customers search: Google, Bing, Apple Maps, and local directories.

## 3. Brand Consistency

☐

Consistent messaging across your website, social media, and marketing builds long-term trust and credibility.

## 4. Manage Reputation

☐

Collect and manage online reviews to strengthen trust, influence buyers, and protect your brand.

## 5. Lead Capture Systems

☐

Turn website visitors into leads using forms, offers, landing pages, and booking systems.

## 6. Email & Automation

☐

Automate emails to nurture leads, stay top-of-mind, and build relationships effortlessly.

## 7. Analytics and Tracking

☐

Track key data to measure results, refine strategies, and fuel smarter growth decisions.

## 8. Content Strategy

☐

Strategic content answers questions, builds authority, improves SEO, and supports customer journeys.

## 9. Paid Traffic / Ads

☐

Accelerate growth with targeted paid ads, reaching the right audience at the right time.

## 10. Ongoing Optimizations

☐

Continuously improve your digital presence with new content, updates, campaigns, and better strategies.
